**CURRICULUM**

**Classical Ballet**

The Pennsylvania Academy of Ballet is offering two Classical Ballet Intensives (a 2-week session and a 3-week session) in the summer of 2020. Instruction focuses on classical ballet technique based on the Vaganova curriculum and method of training. Each session will include a strong mix of technique, variations, pointe, and partnering.

2020 supplemental classes will include modern, and character dance, as well as a “Technique Focus” class that will bring intense attention to different individual steps each day. Conditioning classes will include a variety of cross-training techniques focusing on the specific needs of the dancer.

Dancers will arrive each day at 11 am or noon depending on the day of the week (see daily schedule for Group A & B details). The dancers will finish each evening Monday through Thursday at 5:30 pm, with an earlier dismissal on Fridays. Each week includes 19 scheduled classes, with an additional 7 optional technique classes.

The program is designed for students age 12 and up who have had a *minimum* of four consecutive years of ballet training and one year on pointe. Classes are small which allows for highly individualized attention and fosters an environment centered on personal growth.

**Contemporary**

The Pennsylvania Academy of Ballet is offering a 1-week Contemporary Intensive in the summer of 2020. Join us for five days of **intensive** training with **professional dancers** and **choreographers** from the Philadelphia and New York areas! Each day will include multiple technique classes with different instructors and an informal class demonstration at the end of the week.

**LEVEL PLACEMENT**

**Classical Ballet**

***Dancers will be placed in either the Intermediate Level-Group A or the Advanced Level-Group B.*** Level determination for our classical intensives is based on taking a placement class at the Academy any time from March 1 to May 31. Placement is determined by age and previous experience. Please call to schedule a placement class. If you cannot come in for a class, please call the studio at (610) 664-3455 to discuss placement.

**Contemporary**

The Contemporary Intensive is not leveled in the same way that the Classical Ballet Intensives are, but participating dancers should be intermediate to advanced level dancers, ages 12 and up.

***The school can assist in locating housing for out-of-town students.***

**Summer Intensive tuition:**

**Choose which Intensives you will attend to determine your total tuition due at registration.**
