2022 Summer Course Dates

Classical Ballet Intensive: June 27—July 29, 2022
Monday through Thursday for 5 weeks

CURRICULUM

Classical Ballet

The Pennsylvania Academy of Ballet is offering a 5-week Classical Ballet Intensive in the summer of 2022. Instruction focuses on classical ballet technique based on the Vaganova curriculum and method of training. Each session will include a strong mix of technique, pointe, and variations as well as alternative dance forms and conditioning classes.

2022 supplemental classes will include Modern, Contemporary, Georgian Folk Dance, and Dance History. “Technique Focus” is a special class that will bring intense attention to a different individual step each day. Conditioning classes will include Floorwork and strength, cardio, & flexibility training.

Dancers will arrive each day at 11 am or noon depending on the day of the week (see daily schedule for Group A & B details). The dancers will finish each evening at 5:30 pm. Each week includes 16 scheduled classes, with an additional 7 optional technique classes in our Adult Division available as add-ons (see next panel for details about Adult Division tuition).

Dancers **must** attend a minimum of two (2) weeks. We strongly encourage dancers to schedule **consecutive** weeks to get the benefits of continuity in training.

The program is designed for students age 12 and up who have had a *minimum* of four consecutive years of ballet training and one year on pointe. Group A will be open to a small number of pre-pointe students who **must** come for a placement class before the end of May 2022. Classes are small, which fosters individualized attention and provides a healthy environment for personal growth.

LEVEL PLACEMENT

Classical Ballet

Dancers will be placed in either the Intermediate Level (Group A) or the Advanced Level (Group B). Level determination for our Classical Intensive is based on a placement class that can be taken any time from March 1 to May 31. Placement is determined by age and experience. Please call to schedule your placement class at your earliest convenience. If it is impossible for you to come in for a class, please call the studio (610) 664-3455 to discuss placement.

The school can assist in locating housing for out-of-town students.
