## Summer Session 2026

**2026 Summer Programs**  
Intermediate Ballet Intensive & Adult Division  
July 6—31, 2026 Mon.—Fri. for 4 weeks.

### CURRICULUM

#### **Intermediate Ballet Intensive**

The Pennsylvania Academy of Ballet is offering a 4-week Classical Ballet Intensive for Intermediate level dancers in the summer of 2026. Instruction focuses on classical ballet technique based on the Vaganova curriculum and method of training. Each session will include a strong mix of technique and pointe work, as well as alternative dance forms and conditioning classes.

2026 supplemental classes will include Modern, Contemporary and Musical Theater Dance. “Technique Focus” is a special class that brings attention to different individual steps. Conditioning, Progressing Ballet Technique and Floorwork classes focus on strength, cardio and flexibility training.

Each day begins at 11:00 and ends at 4:30 pm on Mondays-Wednesdays, 4:00 pm on Thursdays and 2:30 on Fridays. Each week includes 19 scheduled classes.

Dancers in our Intensive **must** attend a minimum of three (3) weeks. We strongly encourage dancers to schedule **consecutive** weeks to get the benefits of continuity in training.

The program is designed for students age 11 and up who have had a minimum of 3 consecutive years of ballet training and at least 6 months on pointe. The Intermediate program will be open to a small number of pre-pointe students who **must** come for a placement class before the end of May 2026.

#### **Advanced**

Advanced dancers have the option to attend Adult classes and may return to the studio for the Musical Theater, Contemporary and Modern dance classes on a drop-in basis. To customize a more comprehensive summer program for your Advanced dancer, please call 610.664.3455.

### PROGRAM PARTICIPATION

Participation in our Summer Program is based on a placement class that may be taken any time from March 13 to May 31. Placement is determined by age and experience. Please call to schedule your placement class at your earliest convenience. If it is impossible for you to come in for a class, please call the studio 610.664.3455 to discuss participation in our Summer Program.
